Objective

Aspiring Software Engineer with hands-on experience in Java, OOPs, and full-stack development through academic and personal projects. Looking to join Daltax as an SDE to contribute to real-world software systems, enhance performance through clean and maintainable code, and grow within a forward-thinking tech environment.

Education

Bachelor of Technology (B.Tech), Computer Science & Engineering (Cyber Security) **2023-2026**

Rajiv Gandhi Proudlyogiki Vishwavidyalaya (RGPV), Bhopal-CGPA-**6.35**

Diploma in Computer Science & Engineering **2020-2023**

Jharkhand University of Technology, Jharkhand — CGPA: **7.49**

Secondary School (10th) **Completed: 2020**

Jharkhand Academic Council — CGPA: **6.74**

Technical Skills

Languages: C, C++, Java, JavaScript

Web Technologies: HTML, CSS, React.js

Database: MySQL

Frameworks/Tools: Node.js, Express.js, Spring Boot, Git, VS Code, Eclipse

Core Subjects: Programming Fundamentals, Object-Oriented Programming (OOP), Data Structures and Algorithms (DSA), Database Management Systems (DBMS), Operating Systems

Projects

Online Food Ordering Website Developed a full-stack food ordering application using the MERN stack (MongoDB, Express.js, React.js, Node.js). Implemented user authentication, menu browsing, cart functionality, and real-time order tracking.

Inventory Management System

Built a role-based inventory management system using Spring Boot (Java), MySQL, and React.js with Tailwind CSS. Features included product tracking, stock management, and admin access control.

Internship

Web Development Intern Completed a web development internship during my diploma program. Gained hands-on experience building responsive web pages and integrating frontend with backend services.
